It never shirks from any duty,
Best in every test.
Listen to our declaration
From Ahoskie High,
To our school in Carolina,
Faithful till we die."

We come good and true,
Best of all the country over,
Best in all we do.
Help us in our preparation
To be loyal, too.
Hail to thee, our Alma Mater,

Successful Season For Ahoskie Indians

Ahoskie High School's mighty 1948 gridiron Indians fought through their ten-game schedule as a determined unit with only one purpose in mind. That purpose was to win the conference championship and to go through the regular season undefeated—the purpose was accomplished.

The Indians won every game, turning in the most successful season since football began in Ahoskie back in 1926. They outshone their opponents in every contest and brought home the Albemarle Conference Championship with such fury that they left the other teams battling themselves apart for the runner-up places in the standings.

The Indians finished the season as one of the top undefeated class B high school football teams in the state of North Carolina. From the mid-point of the season, the Indian's defense didn't yield a single point and the total points for the season were 248 scored by the Indians as against 31 by the opponents.

Leading the individual scoring for Ahoskie was Jimmy Williamson, line plunging fullback, who crossed the goal line 18 times during the season for a total of 108 points, beating his 1947 total of 103 points by five.

Second in the scoring parade was Tommy Umphlett, tailback, with a total of 79. Ten TD's, 17 extra points place kicked out of 36 attempts and 2 points from a safety make up his total.

Third in scoring and tops among the pass-catching ends, Charles Bowen scored three touchdowns for 18 points.

Following the first three were three boys with 12 points on two touchdowns each. They were Larry Earley, blocking back, Julian "Budah" Butler, wingback, and Joe Jacobs, tackle.

Others who shared in the scoring were Charles Godwin, reserve wingback, with a touchdown and Hewitt Travis, end, with an extra point.

Before this high total of points could be scored and the games could be won came long hours and much work on the practice field by the coaches and players.

The squad had many long and hard practices before the opening game, two weeks of practice during the spring of 1948 and four in the fall.

During the spring practice weeks, all the boys out for the squad the first time were drilled in fundamentals so that when fall came work on other things could begin.

August on the practice field was the scene of many days of conditioning drills. Two weeks before the opening of school the practice uniforms were issued and twice a day the squad worked on its offense with the thought of winning the conference championship always uppermost.

Albert Terry
Fullback

The Indians opened the 1948 season on September 17 with a home game against Central High School of Elizabeth City. This first game showed much promise for the season that followed, the Indians winning, 32-7. The offense was shaky at times but showed enough power to win handily.

Next week, the Indians traveled to Robersonville where they smashed out a 33-0 victory. The second squad saw much action in this first conference win.

On October 1, the Indians came home under the lights to eke out a 13-12 win over Scotland Neck for their second conference game, the first over the tougher members that had to be licked for the championship. Trailing at half time, 12-7, the team held down the visitors during the final quarter and mid-way the fourth scored again to pull the game from the fire.

Following the Scotland Neck tilt, the Indians met the Perquimans Indians in Ahoskie for their third conference game of the year. Seeking revenge for their poor showing the year before when they lost to Perquimans, 18-0, Ahoskie's Indians turned six pass interceptions into a 26-6 rout. Starting very fast, the Perquimans team rolled to a score in six plays from the opening kick-off, but the Indians came roaring back in 13 plays from scrimmage to take a 7-6 lead and then pull out of the reach of the

visitors.

After two thrilling, hard fought games, the locals suffered from a letdown the next week in Columbia where they had a bad first half and were forced to come back in the second half with two TD's for a 14-6 victory.

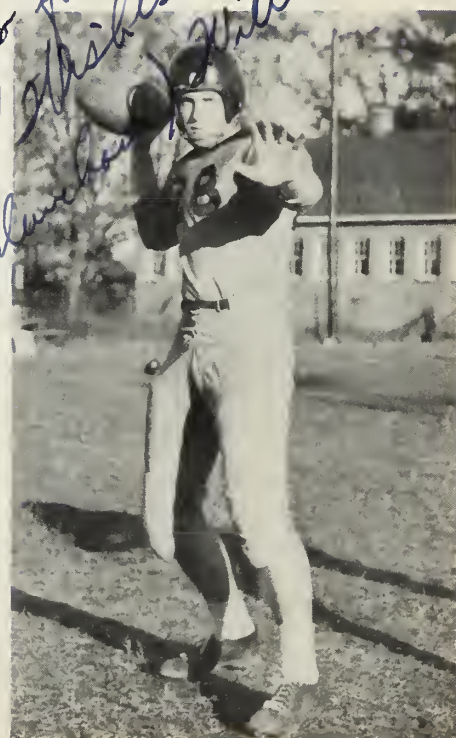

Revenge was again in the minds of the Indians the next week when they handed the Plymouth Panthers a 6-0 defeat for their fourth conference victory on a beautiful pass snag by Charles Bowen

Two high scoring games followed the Plymouth game. On October 29, the Indians rolled over Weldon, 38-0, in the last game of the season played on a dry field.

The next Friday they met Manteo and won 32-0 over a hard-fighting little squad from Dare county in the fourth consecutive home game.

The most important game of the season for the Indians came on November 12 when the Ahsokians

traveled to Williamston to meet the Green Wave in the game that was to decide the conference championship. After controlling the ball during the first half and threatening several times, the Indians got going in the third period for a 63-yard TD march, followed by another score in the fourth quarter to clinch the game and the conference championship title. The final score, 14-0.

Murfreesboro Red Devils were trimmed, 40-0. The reserves played much of the game, showing up well and giving promise for the seasons to come.

The boys that shared the major part in winning the 10 game schedule and who both started and starred in the many games were:

On the offensive team: Hewitt Travis and Joe Parker, left end; Joe Jacobs, left tackle; Thomas Leary, left guard; John Karanikas, center; Dickie Hoggard, right guard; Jack Newsome, right tackle;

Charles Bowen, right end; Larry Earley, blocking back; "Budah" Butler, wingback; Tommy Umphlett, tailback; and Jimmy Williamson, fullback.

The defensive team: Henry Dilday, left end; Jack Newsome, left tackle; Thomas Leary, left guard; Lonnie Phelps, center; Dickie Hoggard, right tackle; "Monk" Congleton, right tackle; Joe Jacobs, right end; "Budah" Butler and/or Larry Earley, backer ups; Charles Bowen and Jimmy Williamson, half-backs; and Tommy Umphlett, safety.

Perfect End to a Successful Season

Coach Jack Young is awarded State Class B Championship Trophy by Mayor Carlton Cherry of Ahoskie. This was the climax to a season of hard work by the cheerful Ahoskie Indians. The Jamestown team was the western B Champions and was undefeated during their season.

Basketball Season

Ahoskie High School maintained its athletic supremacy as the 1948-49 basketball teams brought more victories and trophies into the record books. These athletes fought on to prove the might of the proud Ahsoskie Indians.

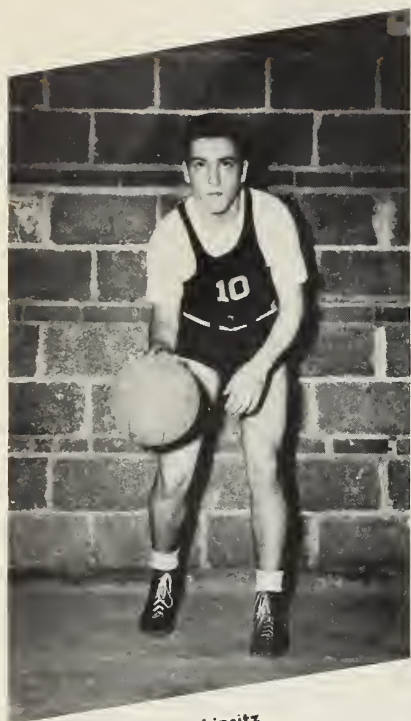

As the season was brought to a successful completion, the boys' team, champion of the Murfreesboro Invitational Tournament, was one of the strongest Class "B" cage teams in the state.

Fighting an uphill battle because of the disadvantage of playing for the fourth straight season without the use of a home gymnasium, the Ahsoskians proved that they could go into the home grounds of all the other teams and still be good enough to come off with a win.

In the three pre-Christmas games the Indians licked Scotland Neck, 34-27; Woodland, 46-17; and Harrelsville, 42-23, for a three-game streak of victories to emerge before Christmas as one of the teams of this section that was going forth with ever developing power.

After the holidays, the Indians came back stronger than ever and with more practice under their belts to start off with a bang in the new year by whipping Scotland Neck 41-29, for the second time.

Playing in the home gym of the Williamston Green Wave, soon after playing had been resumed following the holidays, the Indians received their only setback of the season, going down on the short end of a 40-28 count.

Following this Williamston game the team started the win streak that was not broken for the remainder of the season, by setting Weldon back 44-23; then rolled to a team win at Windsor over the Lions, 39-14.

Then came the most exciting, hard-fought and determined game the Indians played all season when they met the Williamston team again on their home court. AHS took an early lead and held it at least two to four points to get a 42-38 victory.

Robersonville, 48-46, in an overtime game; Hobbsville, 68-16, and Windsor again, 40-26, fell in a row as the Indian steam roller moved on.

At Littleton the Jayvees in their only game of the year netted a win before the varsity game, in which they had to fight all out in the final minutes to win 40-38, and close the regular season.

In the first game of the Murfreesboro tournament the Indians played a close first half and then pulled away to win easily from Woodland, 44-21, and enter the semi-finals.

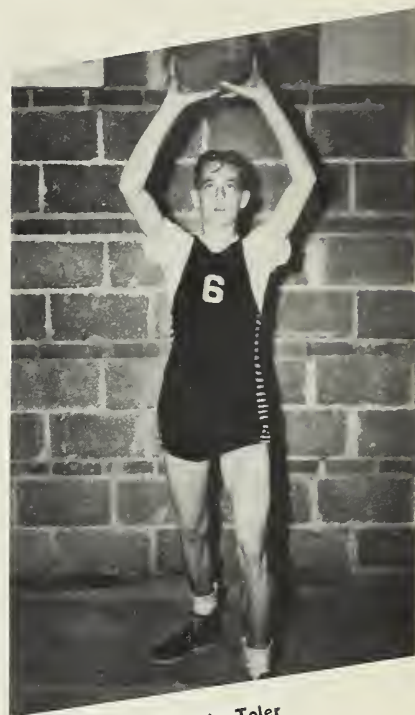

In the second round of play Rich Square held the Indians until the final quarter when they pulled away to can the win at 50-41.

In the finals the Indians took the game 46-39, to cap the tournament trophy, even after three of the starters fouled out. Tommy Umphlett received the most valuable player trophy and a place on the all-tournament team.

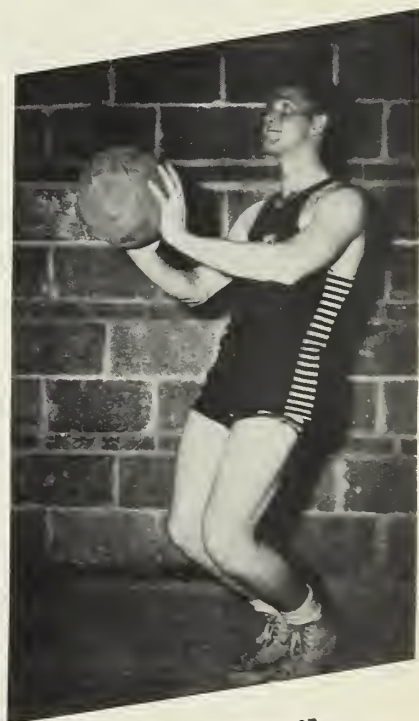

The team laid down its basketballs at the end of the season, knowing that they were among the tops in the state and with the satisfaction of having brought AHS one of its best cage teams, even without the facilities of a home gym.
